⁵ At this time, Akin Gump is not seeking payment in respect of its fees incurred during the Compensation Period in connection with the prosecution of the Jointly Asserted Causes of Action. Accordingly, the amount reflected above in respect of compensation already paid pursuant to the Interim Compensation Order but not yet allowed excludes fees incurred during the Compensation Period in connection with the prosecution of the Jointly Asserted Causes of Action. Specifically, the amount already paid comprises (i) \$75,594.00 (80% of \$ \$94,492.50) as compensation for services rendered during the period of July 1, 2021 through July 31, 2021, as requested in the Thirty-Fourth Monthly Fee Statement and (ii) \$67,949.20 (80% of \$84,936.50) as compensation for services rendered during the period of August 1, 2021 through August 31, 2021, as requested in the Thirty-Fifth Monthly Fee Statement. Notwithstanding the fact that the amounts already paid does not represent the total fees incurred by Akin Gump during the Compensation Period, Akin Gump respectfully requests that the Court authorize the payment of all fees incurred by Akin Gump during the Compensation Period.

⁶ This amount comprises (i) \$867.05 for reimbursement of actual and necessary expenses during the period of July 1, 2021 through July 31, 2021, as requested in the Thirty-Fourth Monthly Fee Statement and (ii) \$284.26 for reimbursement of actual and necessary expenses during the period of August 1, 2021 through August 31, 2021, as requested in the Thirty-Fifth Monthly Fee Statement. By agreement with certain vendors and other parties retained by the Litigation Designees in connection with the prosecution of the Jointly Asserted Causes of Action, Akin Gump is not seeking reimbursement of certain expenses of such vendors at this time.

⁷ Akin Gump voluntarily reduced its fees and expenses prior to the filing of the applicable Monthly Fee Statement by the following amounts: (a) \$88,395.50 for fee reductions and (b) \$8,381.60 for expense reductions. The voluntary fee reductions relate to, among other things: (i) fees incurred by professionals or paraprofessionals for attending meetings, conferences or hearings at which their presence was not essential to the issues or matters addressed therein; (ii) duplicative work or work performed by professionals or paraprofessionals billing a *de minimis* amount of time to the Chapter 11 Cases during the applicable period; and (iii) fees incurred in connection with certain administrative tasks. Consequently, Akin Gump does not seek payment of these fees and expenses in this Application.

employ Akin Gump as counsel to the Creditors' Committee [ECF No. 923] (the "Akin Retention Application"), which application was authorized by an order of this Court dated December 10, 2018 [ECF No. 1107] (the "Akin Retention Order").⁴

11. The Akin Retention Order authorizes the Creditors' Committee to retain and employ Akin Gump as its counsel in the Chapter 11 Cases in accordance with Akin Gump's normal hourly rates and disbursement policies, *nunc pro tunc* to October 24, 2018, all as contemplated by the Akin Retention Application. Specifically, the Akin Retention Order authorizes Akin Gump to be compensated on an hourly basis and to be reimbursed for actual and necessary out-of-pocket expenses.

12. On October 15, 2019, the Court entered the Confirmation Order [ECF No. 5370] approving the Plan. Pursuant to the Confirmation Order, the Creditors' Committee was granted joint standing with the Debtors to commence, prosecute, settle and otherwise dispose of the: (i) Specified Causes of Action; (ii) other Preserved Causes of Action against the ESL parties; (iii) all claims and causes of action asserted in the pending adversary proceeding captioned *Sears Holdings Corp. v. Lampert*, Adv. Pro. 19-08250 (RDD) (Bankr. S.D.N.Y.) (the "Adversary Proceeding") and any other claims or causes of action ancillary thereto; and (iv) claims or causes of action against insurance carriers related to coverage for claims asserted in the Adversary Proceeding (the foregoing referred to collectively as the "Jointly Asserted Causes of Action"). The Jointly Asserted Causes of Action are overseen by designees who will be the initial members of the Liquidating Trust Board upon the Effective Date of the Plan (the "Litigation Designees").⁵

⁴ The Creditors' Committee selected FTI Consulting, Inc. ("FTI") to serve as its financial advisor and Houlihan Lokey Capital, Inc. ("Houlihan") to serve as its investment banker on October 25, 2019 and October 29, 2019, respectively. The orders authorizing the retention of FTI [ECF No. 1325] and Houlihan [ECF No. 1326] were entered on December 19, 2018.

⁵ The initial members of the Liquidating Trust Board will be: (i) Patrick Bartels; (ii) Alan Carr; (iii) Eugene Davis; (iv) William Transier; and (v) Raphael Wallander.

Pursuant to the Confirmation Order, Akin Gump serves as “primary litigation counsel to act on behalf of the Litigation Designees to investigate, commence, prosecute and otherwise litigate the Jointly Asserted Causes of Action.” *See* Confirmation Order ¶ 22.⁶ The Confirmation Order authorizes Akin Gump to be compensated on an hourly basis and to be reimbursed for actual and necessary out-of-pocket expenses.⁷ *Id.*

C. Prior Fee Applications and Fee Statements Filed During the Compensation Period

13. On August 16, 2021 Akin Gump filed and served the *Eighth Interim Fee Application of Akin Gump Strauss Hauer & Feld LLP as Counsel to the Official Committee of Unsecured Creditors for Allowance of Compensation for Services Rendered and Reimbursement of Expenses for the Period of March 1, 2021 Through and Including June 30, 2021* [ECF No. 9742] (the “Eighth Interim Fee Application”).⁸ Pursuant to the Eighth Interim Fee Application, Akin Gump requested interim allowance of fees in the amount of \$1,275,454.00 and reimbursement of expenses in the amount of \$1,215,770.92 for the period from March 1, 2021 through and including June 30, 2021. On September 14, 2021, Orient Craft Limited (“Orient Craft”) filed an objection to the Eighth Interim Fee Application [ECF No. 9810] (the “Orient

⁶ The Creditors’ Committee Settlement provided, among other things, that three of the five members of the Liquidating Trust Board would be selected by the Creditors’ Committee and the remaining two members would be selected by the Debtors. In turn, the proposed members of the Liquidating Trust Board would choose, subject to various factors and procedures, primary litigation counsel for the Liquidating Trust. In July 2019, the proposed members of the Liquidating Trust Board chose Akin Gump to serve as Primary Trust Litigation Counsel.

⁷ Akin Gump’s fees and expenses attributable to the services it performs as counsel to the Creditors’ Committee in connection with the Chapter 11 Cases are paid out of the Debtors’ carve-out account. Pursuant to the terms of the Plan and Confirmation Order, however, Akin Gump’s fees and expenses attributable to the services it performs as Primary Trust Litigation Counsel—as well as the fees and expenses of other professionals retained in connection with the Jointly Asserted Causes of Action—are paid out of a segregated account established to provide initial funding for such litigation (the “Litigation Funding Account”). *See* Confirmation Order ¶ 52(d). At this time, Akin Gump is not seeking payment from the Litigation Funding Account in respect of its fees incurred during the Compensation Period in connection with prosecution of the Jointly Asserted Causes of Action. Notwithstanding the foregoing, Akin Gump respectfully requests that the Court authorize the payment of such fees so that Akin Gump may be paid such amounts if Akin Gump seeks payment of such amounts.

Craft Objection”), as well as the fee applications of other estate-retained professionals. On September 23, 2021, Akin Gump filed a reply in support of the Eighth Interim Fee Application [ECF No. 9837]. On September 27, 2021, the Court held a hearing to consider approval of professionals’ fee applications, including the Eighth Interim Fee Application, and entered an order approving such fee applications and overruling the Orient Craft Objection [ECF No. 9862] (the “Eighth Interim Fee Order”).⁹

14. On October 6, 2021, Akin Gump filed and served the *Thirty-Fourth Monthly Fee Statement of Akin Gump Strauss Hauer & Feld LLP for Professional Services Rendered and Disbursements Incurred as Counsel to the Official Committee of Unsecured Creditors for the Period of July 1, 2021 Through July 31, 2021* [ECF No. 9876] (the “Thirty-Fourth Monthly Fee Statement”),¹⁰ pursuant to which Akin Gump sought payment of (i) \$161,170.80 (80% of \$201,463.50) as compensation for professional services rendered and (ii) \$143,380.82 for reimbursement of expenses. Akin Gump did not receive any objections to the Thirty-Fourth Monthly Fee Statement and received payment of \$75,594.00 in fees and \$867.05 in expenses in respect thereof on December 13, 2021. As discussed in further detail above, the amount of fees paid to date with respect to the Thirty-Fourth Monthly Fee Statement includes those fees incurred by Akin Gump for its services to the Creditors’ Committee and excludes fees incurred by Akin Gump in connection with prosecution of the Jointly Asserted Causes of Action.

15. On October 28, 2021, Akin Gump filed and served the *Thirty-Fifth Monthly Fee Statement of Akin Gump Strauss Hauer & Feld LLP for Professional Services Rendered and*

⁹ Notwithstanding entry of the Eighth Interim Fee Order, Akin Gump has agreed to allow the Debtors to continue holding back 20% of its allowed fees (\$255,090.20) in respect of its services to the Creditors’ Committee for the compensation period subject to the Eighth Interim Fee Order. For the avoidance of doubt, Akin Gump is not seeking payment from the estates for any fees incurred in defending the Eighth Interim Fee Application.

Akin Gump did not receive any objections to the Thirty-Fifth Monthly Fee Statement and received payment of \$67,949.20 in fees and \$284.26 in expenses in respect thereof on December 13, 2021. As discussed in further detail above, the amount of fees paid to date with respect to the Thirty-Fifth Monthly Fee Statement includes those fees incurred by Akin Gump for its services to the Creditors’ Committee and excludes fees incurred by Akin Gump in connection with prosecution of the Jointly Asserted Causes of Action.

16. On December 1, 2021, Akin Gump filed and served the *Thirty-Sixth Monthly Fee Statement of Akin Gump Strauss Hauer & Feld LLP for Professional Services Rendered and Disbursements Incurred as Counsel to the Official Committee of Unsecured Creditors for the Period of September 1, 2021 Through September 30, 2021* [ECF No. 10116] (the “Thirty-Sixth Monthly Fee Statement”),¹² pursuant to which Akin Gump sought payment of (i) \$176,814.80 (80% of \$221,018.50) as compensation for professional services rendered and (ii) \$45,688.54 for reimbursement of expenses. **SUMMARY OF PROFESSIONAL COMPENSATION
AND REIMBURSEMENT OF EXPENSES REQUESTED**

18. By this Application, Akin Gump requests allowance of interim compensation for professional services rendered during the Compensation Period in the amount of \$839,969.00 and expense reimbursements of \$287,232.21.¹⁴ During the Compensation Period, Akin Gump professionals and paraprofessionals expended a total of 1,032.50 hours for which compensation is sought.

19. The fees charged by Akin Gump in the Chapter 11 Cases are billed in accordance with Akin Gump’s existing billing rates and procedures in effect during the Compensation Period. The rates Akin Gump charges for the services rendered by its professionals and paraprofessionals in the Chapter 11 Cases are the same rates Akin Gump charges for professional and paraprofessional services rendered in comparable non-bankruptcy related matters. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy cases in a competitive national legal market. The disclosures

<https://restructuring.primeclerk.com/sears/Home-DownloadPDF?id1=MTMxMTcyMw==&id2=-1>.

¹⁴ Akin Gump voluntarily reduced its fees and expenses prior to the filing of the applicable Monthly Fee Statement by the following amounts: (a) \$88,395.50 for fee reductions and (b) \$8,381.60 for expense reductions. The voluntary fee reductions relate to, among other things: (i) fees incurred by professionals or paraprofessionals for attending meetings, conferences or hearings at which their presence was not essential to the issues or matters addressed therein; (ii) duplicative work or work performed by professionals or paraprofessionals billing a *de minimis* amount of time to the Chapter 11 Cases during the applicable period; and (iii) fees incurred in connection with certain administrative tasks. Consequently, Akin Gump does not seek payment of these fees and expenses in this Application.

required by the U.S. Trustee Guidelines regarding the customary and comparable compensation are annexed hereto as **Exhibit B**.

20. Akin Gump maintains computerized records of the time spent by all Akin Gump professionals and paraprofessionals in connection with the Chapter 11 Cases. A summary of compensation by timekeeper is attached hereto in **Exhibit C**, and a summary of fees by task code is attached hereto in **Exhibit D**. The itemized time records for Akin Gump professionals and paraprofessionals performing services during the Compensation Period have been filed and served in the Monthly Fee Statements in accordance with the Interim Compensation Order.

21. Akin Gump also maintains records of all actual and necessary out-of-pocket expenses incurred in connection with the rendition of its professional services. A summary of the categories of expenses and amounts for which reimbursement is requested by this Application is attached hereto as **Exhibit E**.

22. Akin Gump's staffing plan for the Compensation Period is attached hereto as **Exhibit F**.

**SUMMARY OF SERVICES PERFORMED BY
AKIN GUMP DURING THE COMPENSATION PERIOD**

23. The services provided by Akin Gump during the Compensation Period were actual and necessary for the administration of the Chapter 11 Cases, performed at the request of the Creditors' Committee and/or the Litigation Designees and commensurate with the complexity and significance of this matter.

24. The following is a summary of the professional services rendered by Akin Gump during the Compensation Period. This summary is organized in accordance with Akin Gump's internal system of task codes established at the outset of the Chapter 11 Cases based on the Fee Guidelines. In classifying services into task codes, Akin Gump attempted to place the services

performed in the category that most closely related to the services provided. The below does not include summaries for certain task codes for which a *de minimis* amount of time was billed during the Compensation Period.

25. Moreover, the following summary of services rendered during the Compensation Period is not intended to be a detailed description of the work performed. Rather, it merely is an attempt to highlight certain of those areas in which services were rendered, as well as to identify certain of the matters and issues that Akin Gump was required to address during the Compensation Period.

A. Akin Gump Fee Application/Monthly Billing Reports (Task Code 3)

Total Hours	Fees
38.90	\$28,485.00

26. This category includes time spent by Akin Gump professionals and paraprofessionals preparing and drafting the Eighth Interim Fee Application and each of the Monthly Fee Statements and responding to all inquiries and requests regarding the foregoing. Pursuant to the Interim Compensation Order, the Eighth Interim Fee Application and the Monthly Fee Statements contained a list of individuals who rendered services to the Creditors' Committee during the relevant compensation period, information as to each individual's title, billing rate and hours worked and a comprehensive breakdown of the fees incurred and disbursements expended. To minimize costs in connection with this time-intensive process, Akin Gump relied on paraprofessionals to prepare the initial drafts of the Eighth Interim Fee

Application and Monthly Fee Statements, thereby limiting the time spent by professionals on the review of fees, where reasonably practicable.

B. Court Hearings (Task Code 8)

Total Hours	Fees
27.50	\$27,752.50

27. This category includes time spent by Akin Gump professionals and paraprofessionals in connection with Court hearings held during the Compensation Period. During the Compensation Period, Akin Gump professionals prepared for and participated in hearings on July 27, 2021, August 24, 2021, September 24, 2021, September 27, 2021 and October 26, 2021.

28. In preparing for hearings, Akin Gump professionals reviewed and analyzed all issues, applicable motions and applications filed with the Court, including any objections and responses thereto, discussed with the Debtors' advisors and other relevant parties the relief requested and, as necessary, asserted the Creditors' Committee's and the Litigation Designee's position, as applicable, at such hearings and conferences. In addition, following each hearing or conference, Akin Gump provided the Creditors' Committee and the Litigation Designees with updates and analyses of the results thereof.

C. DIP, Cash Collateral Usage, Adequate Protection and Exit Financing (Task Code 10)

Total Hours	Fees
214.00	\$260,194.50

29. This category includes time spent by Akin Gump professionals analyzing issues in connection with various financing alternatives to facilitate the continued prosecution of the Jointly Asserted Causes of Action and discussing the same with counsel to the Debtors and the Administrative Claims Representative. Pursuant to the Confirmation Order, and as described above, Akin Gump's fees and expenses attributable to the services it performs as Primary Trust

Litigation Counsel—as well as the fees and expenses of other professionals retained in connection with the Jointly Asserted Causes of Action—are paid out of a segregated account established to provide initial funding for such litigation (the “Litigation Funding Account”). *See* Confirmation Order ¶ 52(d).

30. Following entry of the Confirmation Order, the funds allocated to the Litigation Funding Account have been used to pay, among other things, (i) professional fees incurred in connection with prosecution of the Jointly Asserted Causes of Action including, without limitation, attorneys’ fees and expenses of various experts and (ii) costs incurred relating to the payment of a document and e-discovery vendor that, among other things, maintains a database of approximately 14,000,000 documents produced in connection with discovery related to the Jointly Asserted Causes of Action.¹⁵

31. In light of the ongoing and protracted nature of the Adversary Proceeding, the complex legal issues implicated and the number of well-represented parties involved, the Litigation Designees anticipate that the initial funding allocated under the Confirmation Order ultimately will be insufficient to fund the prosecution (to conclusion) of the Jointly Asserted Causes of Action and, ultimately, ensure that the value of such actions is maximized for the benefit of the Debtors’ estates and creditors.

32. Specifically, during the Compensation Period, Akin Gump, on behalf of the Creditors’ Committee, at the direction of the Litigation Designees and in consultation with FTI, analyzed the extent to which third party financing could be obtained and the amount of additional funding necessary to prosecute the Jointly Asserted Causes of Action to completion

¹⁵ More specifically, Akin Gump incurs costs for H5’s loading and hosting of productions from Defendants (as defined below) and third-parties that Akin Gump has received. Akin Gump also incurs costs when using H5’s proprietary key document identification technology to search for and identify specific documents or narrow search results for documents so Akin Gump professionals can review smaller sets of documents.

and explored various alternatives in connection with the same. In addition, Akin Gump professionals regularly apprised the Debtors and the Administrative Claims Representative of developments related to any potential funding and the status of any such negotiations.

D. Secured Creditors Issues /Communications/ Meetings (Task Code 15)

Total Hours	Fees
26.60	\$29,080.50

33. This category includes time spent by Akin Gump professionals in connection with the appeal of the *Order Determining the Amount of Second-Lien Holders' Section 507(b) Administrative Claims Pursuant to Rule 3012 of the Federal Rules of Bankruptcy Procedure* [ECF No. 4740] by ESL Investments, Inc., Cyrus Capital Partners, L.P. and Wilmington Trust, N.A. (collectively, the “Second Lien Parties” and such appeal, the “507(b) Appeal”). The 507(b) Appeal is pending before the Second Circuit, with the Debtors and the Creditors’ Committee as appellees. *See In re Sears Holdings Corp.*, No. 20-3343 (2d Cir.). On September 24, 2021, the Second Circuit heard oral arguments with respect to the 507(b) Appeal. Akin Gump professionals prepared and collaborated with the Debtors’ counsel on the presentation of the arguments, including by participating in a moot argument session.

E. Jointly Asserted Causes of Action (Task Code 20)¹⁶

Total Hours	Fees
677.40	\$442,118.50

34. This category includes time spent by Akin Gump professionals and paraprofessionals in connection with Akin Gump’s role as Primary Trust Litigation Counsel to

¹⁶ As described further herein, pursuant to the Confirmation Order and effective as of the date thereof, Akin Gump serves as Primary Trust Litigation Counsel in addition to its role as counsel to the Creditors’ Committee. *See* Confirmation Order ¶ 22. To facilitate review of Akin Gump’s fees attributable to its role as counsel to the Litigation Designees following entry of the Confirmation Order, this task code (Task Code 20) contains all such work.

the Litigation Designees, including prosecution of the first amended adversary complaint [Adv. Pro. No. 19-08250, ECF No. 52] (the “First Amended Adversary Complaint”) filed in the Adversary Proceeding. Prior to the Compensation Period, on November 25, 2019, Akin Gump, on behalf of the Creditors’ Committee and the Debtors, filed the First Amended Adversary Complaint. Akin Gump’s comprehensive and continuing investigation (the “Investigation”) into the related-party transactions that preceded the commencement of the Chapter 11 Cases and the claims arising therefrom, including the Jointly Asserted Causes of Action, formed the bases for the claims and causes of actions asserted in the First Amended Adversary Complaint.

35. During the Compensation Period, Akin Gump sought to conserve resources by limiting the work performed in connection with the Adversary Proceeding pending a ruling on certain motions to dismiss while still performing the tasks necessary to ensure that the agreed-upon schedule reflected in the Stay Order could be maintained following such ruling.¹⁷ In addition to regularly consulting with the Litigation Designees with respect to the Investigation and Adversary Proceeding, the primary work streams undertaken by Akin Gump during the Compensation Period in connection with the Adversary Proceeding and the Investigation are set forth below.

¹⁷ On November 18, 2020, the Court entered the *Stipulation and Order Regarding Partial Stay of Action and Amendment of Scheduling Order* [Adv. Pro. No. 19-08250, ECF No. 230] (the “Stay Order”), pursuant to which the parties to the Adversary Proceeding agreed to amend the Amended Scheduling Order entered on September 21, 2020 [Adv. Pro. No. 19-08250, ECF No. 219]. The Stay Order extended the deadline for the parties to exchange updated lists of proposed deponents to 28 days after the later of (i) the date on which the Court decides the last of the pending motions to dismiss filed by the defendants named in the First Amended Adversary Complaint (the “Defendants”) or (ii) 45 days after the date on which the Court entered the Stay Order. The Stay Order did not affect the Defendants’ obligations to produce documents and privilege logs, engage in meet-and-confers, as appropriate, or the rights of the Plaintiffs to move to compel or otherwise seek Court intervention related to any discovery disputes. In addition, the Stay Order did not affect the parties’ ongoing efforts to seek document discovery from third parties and, if necessary, to move to compel document discovery from such parties.

1. Fact and Expert Discovery

36. During the Compensation Period, Akin Gump engaged in discovery with the Defendants and certain third parties. Specifically, during the Compensation Period, Akin Gump received four document productions from certain Defendants and third parties totaling approximately 450 documents. In addition, Akin Gump attorneys and paraprofessionals received and reviewed one additional privilege log produced in connection with the Defendants' document productions.

37. In accordance with agreed upon procedures, Akin Gump professionals: (i) conferred with various Defendants and third parties regarding their respective document productions and privilege logs; (ii) continued to review the voluminous discovery produced in connection with the Adversary Proceeding,¹⁸ which, including the approximately 450 documents produced during the Compensation Period, totals over 14,000,000 documents; (iii) continued preparing for depositions by, among other things, drafting fact chronologies concerning the prepetition transactions; and (iv) continued to exchange letters, emails and other correspondence with certain Defendants and third parties to resolve various discovery disputes.

38. In addition, Akin Gump professionals continued to communicate with certain experts who were previously retained to perform analyses, provide advice and, if appropriate, ultimately testify with respect to certain issues relevant to the First Amended Adversary Complaint.

¹⁸ To minimize costs associated with the document review process, Akin Gump engaged contract attorneys to conduct the first-level review of documents received in connection with the Investigation and Adversary Proceeding. This first-level review was completed prior to the Compensation Period.

2. D&O Insurance Coverage Litigation

39. During the Compensation Period, certain Defendants who are former directors of Sears Holdings Corporation (the “Director Defendants”) continued to litigate a state court action in New York, captioned *Alvarez v. XL Specialty Insurance Co.*, Case No. 655391/2019 (N.Y. Sup. Ct. Sept. 17, 2019), with certain providers of liability insurance to the directors and officers of Sears Holdings Corporation (the “D&O Coverage Proceeding”). In the D&O Coverage Proceeding, the Director Defendants sought declaratory relief relating to, among other things, the extent to which coverage is available for the fees the Director Defendants have incurred (and continue to incur) defending against the Adversary Proceeding and potential damages awards issued against the Director Defendants in connection with the Adversary Proceeding. On July 13, 2021, the D&O Coverage Proceeding was resolved by the trial court in favor of the Director Defendants. On August 2, 2021, one of the insurers appealed the trial court’s decision. A decision from the appellate court remains pending.

40. In addition, during the Compensation Period, Defendant Seritage Growth Properties, L.P. (“Seritage”) continued to litigate a state court action in Delaware, captioned *Seritage Growth Properties, L.P. v. QBE Insurance Corp.*, Case No. N21C-03-015 (Del. Super. Ct. Mar. 2, 2021) (the “Seritage Coverage Proceeding” and, together with the D&O Coverage Proceeding, the “Insurance Coverage Proceedings”), in which it is seeking declaratory relief, money damages, punitive damages and attorneys’ fees against several of their insurers. In its complaint, Seritage alleges that certain of its insurers breached their obligations to provide insurance coverage to Seritage in connection with its defense in the Adversary Proceeding.

41. In light of the effects the Insurance Coverage Proceedings may have on the insurance proceeds recoverable by the Plaintiffs in the Adversary Proceeding, Akin Gump

professionals continued to monitor the Insurance Coverage Proceedings throughout the Compensation Period, engaged in discussions and correspondence related thereto and performed research and analyses in connection therewith.

ACTUAL AND NECESSARY DISBURSEMENTS

42. Akin Gump seeks allowance of reimbursement of expenses in the amount of \$287,232.21 for expenses incurred during the Compensation Period in the course of providing professional services to the Creditors' Committee and the Litigation Designees. Akin Gump's disbursement policies pass through all out-of-pocket expenses at actual cost or an estimated actual cost when the actual cost is difficult to determine. For example, as it relates to computerized research, Akin Gump believes that it does not make a profit on that service as a whole although the cost of any particular search is difficult to ascertain. Other reimbursable expenses (whether the service is performed by Akin Gump in-house or through a third party vendor) include, but are not limited to, long-distance calls, overtime meals, deliveries, court costs, transcript fees, discovery and temporary legal staffing services, travel and clerk fees.

FACTORS TO BE CONSIDERED IN AWARDING ATTORNEYS' FEES

43. Bankruptcy Code section 330 provides, in relevant part, that the Court may award to a professional person "reasonable compensation for actual, necessary services rendered[.]"

See 11 U.S.C. § 330(a)(1). In turn, Bankruptcy Code section 330 provides as follows:

In determining the amount of reasonable compensation to be awarded, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonably based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

44. The clear congressional intent and policy expressed in Bankruptcy Code section 330 is to provide for adequate compensation in order to continue to attract qualified and competent bankruptcy practitioners to bankruptcy cases. *In re Drexel Burnham Lambert Grp., Inc.*, 133 B.R. 13, 20 (Bankr. S.D.N.Y. 1991) (“Congress’ objective in requiring that the market, not the Court, establish attorneys’ rates was to ensure that bankruptcy cases were staffed by appropriate legal specialists.”); *In re Busy Beaver Bldg. Cir. 1994) (citations and internal quotations omitted) (“Congress rather clearly intended to provide sufficient economic incentive to lure competent bankruptcy specialists to practice in the bankruptcy courts.”).

45. In assessing the “reasonableness” of the fees requested, the Second Circuit has stated that courts should consider the factors enumerated in *Johnson v. Ga. Highway Express, Inc.*, while also incorporating the “lodestar method.” *See Arbor Hill Concerned Citizens Neighborhood Ass’n v. County of Albany and Albany County Bd. of Elections*, 522 F.3d 182, 190 (2d Cir. 2007) (citing *Johnson v. Ga. Highway Express, Inc.*, 488 F.2d 714 (5th Cir.1974), *abrogated on other grounds by Blanchard v. Bergeron*, 489 U.S. 87, 92–93, 96 (1989)). The “lodestar method” of calculating the reasonable fee contemplates “the number of hours

reasonably expended . . . multiplied by a reasonable hourly rate.” See *Hensley v. Eckerhart et al.*, 461 U.S. 424, 433 (1983); *Gisbrecht v. Barnhart*, 535 U.S. 789, 801 (2002); *Perdue v. The factors set forth in *Johnson* and *In re First Colonial Corp. of Am.*, 544 F.2d 1291, 1298-99 (5th Cir. 1977) have been adopted by most courts.¹⁹ See *In re Nine Assocs., Inc.*, 76 B.R. 943, 945 (S.D.N.Y. 1987) (adopting *First Colonial/Johnson* analysis); *In re Cuisine Magazine, Inc.*, 61 B.R. 210, 212-13 (Bankr. S.D.N.Y. 1986) (same); *Green v. City of New York*, 403 Fed. Appx. 626, 629 (2d Cir. 2010) (summary order); see generally 3 COLLIER ON BANKRUPTCY ¶ 330.03[9] (Lawrence P. King ed., 16th ed. 2016) (describing *First Colonial* and *Johnson* as the “leading cases to be considered in determining a reasonable allowance of compensation”).

46. Akin Gump respectfully submits that a consideration of these factors should result in the Court’s allowance of the full compensation sought in this Application.

- a. Time and Labor Required. Akin Gump billed a total of 1,015.60 hours of professional services and 16.90 hours of paraprofessional and other non-legal services during the Compensation Period. As evidenced by this Application, Akin Gump professionals and paraprofessionals worked diligently and efficiently without unnecessary duplication of efforts throughout the Compensation Period. This is particularly true when considering the nature and complexity of the issues that arose in the Chapter 11 Cases, including the treatment of various claims, including administrative expense claims, and in connection with the Adversary Proceeding, the Second Action, the prosecution of the First Amended Adversary Complaint and the 507(b) Appeal. Akin Gump’s representation of the Creditors’ Committee and the Litigation Designees has required it to balance the need to provide quality services with the need to act quickly and represent these parties in an effective, efficient and timely manner. Akin Gump submits that the hours spent were reasonable

¹⁹ The factors articulated by the Fifth Circuit in *First Colonial* were first articulated by the Fifth Circuit in *Johnson*, with the *First Colonial* court adding the factor of the “spirit of economy,” which was later rejected by Congress. See *Stroock & Stroock & Lavan v. Hillsborough Holdings Corp. (In re Hillsborough Holdings Corp.)*, 127 F.3d 1398, 1403 (11th Cir. 1997).

given the size and complexity of the Chapter 11 Cases and the significant legal issues raised.

- b. Novelty and Difficulty of the Questions. Akin Gump tasked knowledgeable professionals to research, analyze and provide advice on difficult and complex bankruptcy, litigation and finance issues. Notably, and as further described herein, Akin Gump's skilled teams assisted the Creditors' Committee and Litigation Designees in, among other things: (i) monitoring the D&O Coverage Proceedings and analyzing the effect such proceedings may have on potential damages awards issued against the Director Defendants in connection with the Adversary Proceeding; (ii) evaluating potential sources of funding for the continued prosecution of the Jointly Asserted Causes of Action; (iii) assisting expert witnesses in preparing relevant reports on complex issues relevant to the Adversary Proceeding; and (iv) assisting the Debtors' counsel in preparation of the oral arguments in the 507(b) Appeal.
- c. Skill Requisite to Perform the Legal Services Properly. Akin Gump believes that its recognized expertise in the area of corporate reorganization, its ability to draw from highly experienced professionals in other areas of Akin Gump's practice and its creative approach to the resolution of issues has contributed to the successful administration of the Chapter 11 Cases and benefited the Debtors, the Creditors' Committee and the Litigation Designees. Due to the nature and complexity of the legal issues presented in the Chapter 11 Cases, Akin Gump was required to exhibit a high degree of legal skill in areas related to, *inter alia*, bankruptcy, litigation and insurance matters. Additionally, Akin Gump's strong working relationship with the legal and financial advisors to other parties in interest enabled Akin Gump to work with such advisors towards a swift, consensual resolution of many of the salient issues in the Chapter 11 Cases.
- d. Preclusion of Other Employment by Applicant Due to Acceptance of the Case. Due to the size of Akin Gump's financial restructuring and litigation departments, Akin Gump's representation of the Creditors' Committee and the Litigation Designees did not preclude its acceptance of new clients, but the demands for immediate and substantive action in the Chapter 11 Cases imposed significant burdens on Akin Gump professionals and paraprofessionals working concurrently on other matters.
- e. Customary Fee. The rates Akin Gump charges for the services rendered by its professionals and paraprofessionals in the Chapter 11 Cases are the same rates Akin Gump charges for professional and paraprofessional services rendered in comparable nonbankruptcy matters. Akin Gump's fee structure also is equivalent to the fee structure used by Akin Gump for restructuring, workout, bankruptcy, insolvency and comparable matters, as well as similar complex corporate and litigation matters, whether in-court or otherwise, regardless of whether a fee application is required. The firm's customary hourly rates and rate structure reflect that restructuring and related matters typically involve

great complexity, numerous tasks requiring a high level of expertise and severe time pressures, as is the case here. Akin Gump's rate structure is similar to the rate structure used by other, similar law firms that work on other, similar matters.

- f. Whether the Fee Is Fixed or Contingent. Pursuant to Bankruptcy Code sections 330 and 331, all fees sought by professionals employed under Bankruptcy Code section 1103 are contingent pending final approval by the Court, and are subject to adjustment depending upon the services rendered and the results obtained. The contingency of full and actual compensation to Akin Gump increased the risk Akin Gump was assuming by representing the Creditors' Committee and the Litigation Designees in the Chapter 11 Cases.
- g. Time Limitations Imposed by the Client or Other Circumstances. As previously set forth herein, Akin Gump was required to attend to certain issues arising in the Chapter 11 Cases under compressed timelines. The tremendous efforts of Akin Gump professionals and paraprofessionals in completing this work permitted the Creditors' Committee to address effectively various issues for the benefit of the Debtors' unsecured creditors.
- h. Amount Involved and Results Obtained. Akin Gump professionals and paraprofessionals worked diligently to maximize value for the Debtors' estates and creditors. During the Compensation Period, and as described in the summary of services herein, Akin Gump was instrumental in maximizing value for the benefit of unsecured creditors. In particular, the Jointly Asserted Causes of Actions, and any recoveries to the Debtors' estates therefrom, may provide material benefits to all creditors and is the only likely source of recovery for unsecured creditors in the Chapter 11 Cases. Akin Gump submits that the fees requested in this Application are reasonable and appropriate when considering the results that may be obtained on behalf of unsecured creditors, as more fully described in the summary of services.
- i. Experience, Reputation and Ability of Attorneys. Akin Gump is an international law firm that consistently is recognized as a top tier law firm in the field of creditors' rights, business reorganizations and liquidations under chapter 11 of the Bankruptcy Code. During the Compensation Period, Akin Gump solicited the skill and expertise of its attorneys, a number of which have practiced law for over 20 years in a number of jurisdictions and legal disciplines. Akin Gump attorneys have actively represented creditors and creditors' committees, as well as other parties in interest, in a number of the nation's largest chapter 11 cases, including *In re Mallinckrodt plc*, *In re Global Eagle Entertainment, Inc.*, *In re BBGI US, Inc.* (f/k/a *Brooks Brothers Group, Inc.*), *In re Diamond Offshore Drilling, Inc.*, *In re Purdue Pharma L.P.*, *In re Nine West Holdings, Inc.*, *In re iHeartMedia, Inc.*, *In re Cumulus Media Inc.*, *In re Avaya Inc.*, *In re Chassix Holdings, Inc.*, *In re Energy Future Holdings Corp.*, *In re Dynegy Holdings, LLC*, *In re Nortel Networks Inc.*, *In re Lightsquared Inc.*, *In re Longview Power, LLC*, *In re Eastman Kodak*

Company, In re Cal Dive International, Inc., In re Washington Mutual Inc., In re NII Holdings, Inc., In re MPM Silicones, LLC, In re Overseas Shipholding Group, Inc., In re QCE Finance LLC, In re Residential Capital, LLC, In re Solutia, Inc., In re WorldCom, Inc., In re XO Communications, Inc., In re Tower Automotive LLC, In re VeraSun Energy Corp., and many others. Akin Gump's extensive experience enables it to perform the services described herein competently and expeditiously. In addition to its expertise in the area of corporate reorganization, Akin Gump has called upon the expertise of its partners and associates in other practice areas to perform the wide-ranging scope of the legal work necessitated by the Chapter 11 Cases, as described above.

- j. "Undesirability" of the Cases. This factor is not applicable to the Chapter 11 Cases.
- k. Nature and Length of Professional Relationship. Akin Gump has been rendering professional services to the Creditors' Committee since it was selected as counsel to the Creditors' Committee on October 24, 2018. In addition, pursuant to the Confirmation Order and effective as of the date thereof, Akin Gump has been rendering professional services to the Litigation Designees in connection with the Jointly Asserted Causes of Action.

47. For the reasons set forth above, the services rendered by Akin Gump were necessary and beneficial to the Creditors' Committee and the Litigation Designees and consistently performed in a timely manner. The compensation sought in this Application is reasonable in light of the value of such services to the Creditors' Committee, the Litigation Designees and all unsecured creditors, Akin Gump's demonstrated skill and expertise in the bankruptcy field (as well as other areas of expertise relevant to the Chapter 11 Cases) and the customary compensation charged by comparably skilled practitioners at Akin Gump. Accordingly, Akin Gump respectfully submits that the Court should approve the compensation for professional services and reimbursement of expenses sought herein.

48. No agreement or understanding exists between Akin Gump and any other person for the sharing of any compensation to be received for professional services rendered or to be rendered in connection with the Chapter 11 Cases. No prior application has been made in this

Court or in any other court for the relief requested herein as it relates to the Compensation Period.

ATTORNEY STATEMENT PURSUANT TO U.S. TRUSTEE GUIDELINES

49. The following is provided in response to the request for additional information set forth in ¶ C.5. of the U.S. Trustee Guidelines.

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

Response: No.

Question: If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Response: Not applicable.

Question: Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Response: No.

Question: Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.). If so, please quantify by hours and fees.

Response: Yes. During the Compensation Period, 3.5 hours and \$3,699.50 in fees were spent reviewing time records for compliance with the Fee Guidelines.

Question: Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Response: See above.

Question: If the fee application includes any rate increases since retention: (i) Did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Response: Akin Gump disclosed to the Creditors' Committee the hourly rates charged at the time of its retention and the hourly rates to be charged beginning in January 2021 in the 2021 Rates Supplemental Declaration, which the Creditors' Committee agreed to.

RESERVATION OF RIGHTS

50. To the extent that there are services rendered or expenses incurred that relate to the Compensation Period but were not processed prior to the preparation of the Application, Akin Gump reserves the right to request additional compensation for such services and reimbursement of such expenses in a future application.

[Remainder of page left blank intentionally.]

CONCLUSION

WHEREFORE, Akin Gump respectfully requests: (i) an interim allowance of compensation for professional services rendered during the Compensation Period in the amount of \$839,969.00 and expense reimbursement in the amount of \$287,232.21; (ii) the allowance of such compensation for professional services rendered and reimbursement of actual and necessary expenses incurred be without prejudice to Akin Gump's right to seek additional compensation for services performed and expenses incurred during the Compensation Period which were not processed at the time of the Application; and (iii) such other and further relief as the Court deems just, proper and equitable.
